Lucky Streak is one of those animals that makes you well up with pride., and we were so pleased to purchase her from Ross Ohlendorf at Rocking O Longhorns. She is exotically built and her horns are beginning to roll back and show a definite twist. Her lineage is full of color and horn--the awesome TCC Winning Honor is her Sire (93"+ TTT). Lucky Streak is beautiful and she knows it. She is proud and sassy, yet will let you walk right up to her side
