

HANDS FREE

Date of Birth: 05/17/2015
Registration 1: 272116
Registration 2: CI339317
Breeder: Dickinson Cattle Company
Owner: Gang of 5 Longhorns

Adam Smith proposed the concept of laissez-faire government, and with HANDS FREE we have taken a similar hands-off approach: this stellar cow knows what she is doing: her calves are always top-notch, she is an excellent mother, and those horns? They are almost as big as the great state of Texas itself! HANDS FREE is truly an exceptional cow with both the pedigree and progeny to fully back her up. We love this lady.
