

G5 HANDY MAN

Date of Birth: 03/04/2023
Registration 1: 292353

From the day this bull was born he knew he was something special...and he wasn't the only one. Not a day goes by when this calf isn't making us laugh as he learns how to grow into the sire he's destined to be. He has a wonderful temperament and is a joy to be around. His sire is our very own TAXI 265/0 and his dam is the Queen of the Pasture herself, HANDS FREE. You want future? Look no farther.
